Take some time to finally socialize and relax with the people you have spent the last 4 months competing against or sitting next to on the bleachers. The Iron Cross Foundation is sponsoring an Ice Cream Social as a way to unwind and celebrate the end of the season. There will be adult drinks available for the parents for a small donation, the ice cream and all the fixings will be courtesy of the foundation.

We will also be running a tumble-a-ton at the same time. This is a great way to raise money for both the organization and the athletes. This part will be very informal so that everyone can enjoy themselves and relax with friends.

Hope to see you there.
